Named a "Top Law Firm" on "Patent Scorecard" by *Intellectual Property Today* in December 2008 as well as being touted by *IP Law & Business* and *Managing Intellectual Property*, BSTZ has been a leader in patent law for decades.

With vision and a steadfast commitment to preserving the value of ideas, **BSTZ** has become an integral partner to today's technology leaders. The firm's expertise is most evident in the vast number of patents successfully prosecuted to issuance, and trademarks protected and policed for domestic and international clients.

**BSTZ** is consistently ranked among the top intellectual property law firms in the nation. Through the years, the firm has built a dynamic practice that ranges from securing and enforcing patents for some of the world's largest high-technology companies to protecting the marks and domain names of high-profile celebrities.

**The women of BSTZ have been integral to BSTZ's success – and to the success of their clients.**

**Lori Boatright** is beginning her second stint on the firm's Management Committee as well as being the chair of the Strategic Planning Committee. Named to *Who's Who: Legal* for Trademarks in successive years, Lori also chairs the Trademark Practice Group of the firm. Along with Partner

**Lori Kozak** and others, the firm's Trademark Group was granted in recent years the NameProject Trademark Insider® award for a National Top Ten Trademark Law Firm as well as the best regional firm for the nation's second biggest market.

**Sue Holloway**, a former computer industry analyst and project manager, has practiced law since 1994 and has been named a Top Patent Lawyer in the Bay Area. Along with **Judith Szepesi**, **Marina Portnova** and **Teresa Wong**, all partners at **BSTZ**, Sue and the women of **BSTZ** bring their own strengths to a diverse and accomplished patent practice. Named a "Top Law Firm" on "Patent Scorecard" by *Intellectual Property Today* in December 2008 as well as being touted by *IP Law & Business* and *Managing Intellectual Property*, **BSTZ** has been a leader in patent law for decades.
